

Establishing Benchmarks

# Stoploss Claims Administration

## Who We Are

With over a century of combined experience, Alpha Isle Services brings deep knowledge and innovative solutions to every project. We understand the importance of peace of mind, which is why we go the extra mile to deliver exceptional service.

## What We Do

### Focus on Speed and Quality

Need fast, reliable claims processing? We excel at high-quality, expedited back-office claims management.

### Focus on All Services

Your one-stop shop for claims processing. We offer high-quality, expedited back-office claims management, acting as either your full-time staff or a peak season support system.

### Focus on Flexibility

We adapt to your needs. Get full-time claims staff or a safety net for peak seasons - all with high-quality, expedited service.

### Consulting

We craft designs that align with your values, purpose, and goals.

## What We Offer You

### Claims, Audits, & Reserve Analysis
